PROGRAMME

for the symposium

The Roles of Germany and Japan in Global Health III

on Friday, October 25, 2019

at JDZB, Saargemuender Str. 2, 14195 Berlin

Friday, October 25

- 09:30 *Registration*
- 10:00 **Welcome Remarks**
- Claudia SCHMITZ, JDZB
- H.E. Ambassador Takeshi YAGI, tbc
- 10:10 **Background and Objectives of the Symposium**
- Prof. Till BÄRNIGHAUSEN, Heidelberg University
- Prof. Yasushi KATSUMA, Waseda University & NCGM Institute for Global Health Policy Research (iGHP), Tokyo
- 10:20 – 11:20 **Reflection on 2019 G20 Osaka Summit---What was Achieved and What Remain as Outstanding Issues?**
Chair:

Global health was discussed at the Finance Ministers and Central Governors Meeting in Fukuoka on June 8-9, at the Leaders' Summit in Osaka on June 28-29, and at the Health Ministers' Meeting in Okayama on October 19-20. What was achieved and what remains as outstanding Issues? What are the lessons learnt for Germany and Japan?
- 11:20 – 12:20 **Areas where Germany and Japan can Provide Leverage in Promoting Universal Health Coverage (UHC) ---Migrant & Refugee Health, Innovation, and**

Aid Coordination

Chair:

At 2019 G20 Osaka Summit, UHC was discussed extensively in accelerating our efforts to achieve the Sustainable Development Goal 3. On September 23, the United Nations High-Level Meeting on UHC was held in New York for the first time. As we look forward to the 2nd UHC Forum to be held in Bangkok in February 2020, it is timely to identify areas where Germany and Japan can collaborate.

12:30

Lunch

14:00 – 15:00 Roles of Business and the Private Industry in Promoting UHC

Chair:

Private industry, including pharmaceutical companies, insurance companies, logistic companies, play an increasingly important role for global health. How can Germany and Japan support the process?

15:00 – 16:30 Areas of Collaboration between Germany and Japan, achieving SDGs

Chair:

Germany and Japan: their roles in putting health in the G7/ G20 agenda at various points in time - priorities - outcomes and ambitions - similarities and differences in achieving the Sustainable Development Goals (SDGs) by 2030.
